

## Dear Resident, You are invited to a community information session

**NBN high-speed\* broadband is coming  
to Dereel so you are invited to an information  
session.**

**Dereel has been selected as one  
of the first release Fixed Wireless  
sites to benefit from the rollout of  
the National Broadband Network.**

High-speed\* broadband delivered  
over the NBN has the potential to  
revolutionise the way we connect  
with one another, from health and  
education to lifestyle and business.

\* NBN Co is designing the NBN to be capable of delivering these speeds to NBN Co's wholesale customers (RSPs). Speeds actually achieved by retail customers (end users) will depend on a number of factors including the quality of their equipment and in-premises connection, the broadband plans offered by their RSP and how their RSP designs its network to cater for multiple end users.

### Community Information Session
